

Term 2 2024 - Changes to Dayboro Buses servicing Bray Park, Genesis and Mt Samson

Dear Parent / Carer,

We are pleased to announce that from the start of Term 2, we are making some changes to improve the servicing of Genesis College, Bray Park State High School and Mt Samson State School, from Dayboro.

Effective from: Monday 15th April 2024

This change applies to morning services only.
There are no changes to afternoon services.

Objective:

Improve running times and bus passenger loadings.

Summary:

School Bus 43 : will run "**express**" from Dayboro to Genesis and Bray Park, then "**pick up as required**" onto Mt Samson

School Bus 42 : will run "**pick up as required**" from Dayboro through to Genesis and Bray Park.

Details:

School Bus 43 (57 seater)

At Dayboro State School:-

All Genesis & Bray Park students will be required to board School Bus 43 first.

School Bus 43 will depart Dayboro State School once fully loaded and then run **express** to Genesis College and Bray Park State High School before continuing **pick-up-as-required** onto Mt Samson State School.

Students will not be allowed to board School Bus 42 until School Bus 43 departs.

If School Bus 43 is **NOT** fully loaded by its scheduled departure time, it will travel to Dayboro Pool for additional passengers, and thereafter run **express** to Genesis, Bray Park State High School and then **pick-up-as-required** onto Mt Samson State School.

(even if not fully loaded)

School Bus 43 will no longer connect with School Bus 46 at Dunlop Lane.

School Bus 42 (75 seater)

At Dayboro State School, School Bus 42 doors will remain closed until School Bus 43 departs. All Bray Park High School and Genesis students will be directed to board School Bus 43 until it is fully loaded.

School Bus 42 doors will open once School Bus 43 is fully loaded or 5 minutes prior to departure (if School Bus 43 is not fully loaded).

Students for **Genesis & Bray Park** will then be invited to board School Bus 42.

School Bus 42 will run "pick up as required", stopping at all locations from Dayboro State School, Dayboro Pool, and along Dayboro Road, then onto Genesis & Bray Park State High School.

School Bus 42 will still onload students for Genesis and Bray Park from School Bus 46 at Dunlop Lane.

All Genesis and Bray Park students at pick up points along Dayboro Road will now **ONLY** board School Bus 42.

These changes will not only ensure seating capacity is maximised across both services from Dayboro, but will also ensure on-time running for School Bus 43 onto Mt Samson State School.

At this stage there are no plans to amend the departure times of either service, but we will continue to monitor timings and will advise of any further changes if required.

Please discuss these changes with your child(ren) so they are aware.

Contact us by email to schools@brisbanebuslines.com.au if you have any questions regarding this announcement.

Thanks for your understanding and support.
